“Fall Trip: Las Vegas!”

FAQs for Market Partners

Q: WHAT IS THE LOCATION AND WHAT ARE THE DATES FOR THE FALL TRIP: LAS VEGAS?

A: Las Vegas, Nevada; Travel will be in October or early November, 2017.

Q: WHAT IS THE QUALIFICATION PERIOD?

A: October 1, 2016 through July 31, 2017.

Q: WHO IS ELIGIBLE TO PARTICIPATE FOR THE FALL TRIP: LAS VEGAS?

A: All Market Partners in the U.S. and in Canada are eligible for the trip.

Q: HOW CAN I QUALIFY FOR THE FALL TRIP: LAS VEGAS?

A: Market Partners must have a qualifying month in five out of six months in any rolling six-month period during the incentive qualification period—October 1, 2016 through July 31, 2017. There are two ways to have a qualifying month:

1. Achieve 1000PV or more in the month. No more than 500PV from your own purchases will count toward this total.
2. Achieve 500PV and enroll two new Market Partners with Product Packs.

Any combination of these in a rolling five out of six-month period will qualify the Market Partner for the fall Vegas trip.

Earners must be in good standing with the company to receive reward.

Q: WHAT IS THE OFFER IN DETAIL?

A: Beginning October 1, 2016 and ending July 31, 2017, all MONAT Market Partners who have a five qualifying months in any rolling six month period qualify for a 2-night, 3-day trip to Las Vegas in fall, 2017.

Q: WHAT IS A ROLLING FIVE OUT OF SIX MONTH PERIOD?

A: Market Partners will need a qualifying month in five out of six months. The specific months do not matter, and are simply determined by the MPs activity—i.e., at 1000PV or with 500PV and two new Market Partners enrolled with Product Packs. For example, a Market Partner has a qualifying month in February, but not in March. To qualify, this MP would need qualifying months in April, May, June and July. That would then comprise the five out of six months.

In short, to qualify, within any six months during the qualification period, a Market Partner needs five months with any combination of 1000PV or more, or 500PV and two new Market Partners who enroll with a Product Pack.
