GST registration is optional for direct sellers whose business has a GST turnover under \$75,000.

A: Income Tax Withholdings – If a Market Partner exceeds \$15,000 AUD in commissions earned within a 12 month period and does not have a valid ABN number on file with MONAT, Income Tax withholdings will be at the rate of 47% on commission earnings. If a Market Partner provides their valid ABN number the tax withholding amount above \$15,000 AUD will be at 0%.

GST Registration Threshold – If a Market Partner provides a valid ABN number to MONAT and is GST registered, MONAT will provide a Recipient Created Tax Invoice to the Market partner which will include 10% GST, and the Market Partner will be paid the 10% GST on each subsequent commission payment.

If a Market Partner does not provide a valid ABN number to MONAT or is not GST registered, the Recipient Created Tax Invoice will not be provided and the 10% GST will not be paid to the Market Partner on commission earnings.
