- Air travel must be booked at the lowest available fare, and for travel on the scheduled program arrival and departure dates.
- Travelers may be asked to make up to one connection in each direction of flight, should doing so result in a savings to MONAT of \$200.00 AUD or greater, and connection time is less than 2 hours between flights.
- If non-stop flights are available in your market, and the difference in fare is less than \$50.00 AUD over the lowest available connecting flight fare, non-stop flights will be permitted.
- Any request to travel on days other than the scheduled program arrival and departure dates is subject to written approval by MONAT. MONAT is not obligated to cover airfare for travel on dates outside of the specified program travel dates.
- Market Partners must book airline tickets through our partner agency. Tickets booked directly with airlines, or through any other means, are NOT REIMBURSABLE.
- Checked baggage, preferred seat assignments, and other ancillary airline fees are the responsibility of the traveler.
- Once ticketed, airline change fees are the traveler's responsibility, if applicable.
- Market Partner must depart and return to the commercial airport nearest your MPID address on file.
- Stopovers are not permitted.
- Requests to fly on specific/preferred airlines must not impact the total airfare to be paid by MONAT.
- While we understand that some Market Partners must travel a longer distance from your MPID address, MONAT will not make special accommodations for you (e.g., overnight hotel accommodations because "my flight to the

destination resort is too long.”). However, MONAT will not require travellers to make more than one stop in either direction, unless their city of origin necessitates a double connection due to standard airline routes.
