## What Powers It

### REJUVENIQE S™:

MONAT's famed proprietary signature is a cornerstone of skin looking its best at every age. This clinically proven ingredient combines the nourishing and revitalizing powers of 17 botanical oils and extracts with a patented, activated oil from olive and jojoba seed extract to infuse skin with immediate and long-lasting moisture, hydration, youthful resilience and instant luminosity.

### Peptide:

Known for its skin rejuvenation ability, bio-active building block help support skin's natural collagen to reveal tighter skin, improved texture and an overall ageless appearance. MONAT's exclusive peptide helps skin to appear more cushiony, plump, supple and youthful from within.

### Plant Stem Cells:

These regenerating phyto-elements extracted from moss help lift, tighten, support collagen and defend skin by providing antioxidant protection to guard against oxidative stress caused by the sun and other environmental elements. This powerhouse ingredient offers a full spectrum of benefits for luminous, youthful, healthy-looking skin.

### Plant-derived Squalane:

This delicate oil from olives helps fight the signs of fine lines around the eyes by adding maximum moisture and conditioning to support the elasticity and smoothness around the eyes. Like a good night's sleep in one swoop.

### Caffeine:

Wakes up the eyes by reducing the appearance of discoloration and puffiness for a more lifted, well-rested effect.

## HOW TO USE IT

- Use daily, morning and night.
  - You'll notice that the provided applicator is double-sided. One side is a spatula, and the other side is the eye roller.
  - Remove a small amount from the jar with the spatula.
  - Evenly distribute product between your ring fingers.
  - Using your ring finger, gently tap around the eye area in an outward motion to avoid stretching the delicate skin around the eye.
  - Glide the eye roller around the eyes in an upward and outward motion until fully absorbed.
  - Follow with MONAT moisturizer.
- Healthy skin tip: Apply sunscreen 15 minutes before heading outside.
