- 85% noticed reduced appearance of dark circles and the look of under eye puffiness.

## What Powers It

### Acetyl Hexapeptide-8:

This powerful peptide tightens and rebuilds while temporarily reducing the appearance of facial lines and wrinkles. Skin will appear more cushiony, plump, refreshed, and youthful.

### White Lily Flower Extract:

Among the various species *Lilium candidum*, the white or Madonna lily has always been the most important one. White Lily bulbs and flowers are used in traditional phyto-therapy. Most recently, white lily flower extracts are used as a mild calming active in tightening skin.

### Coffea Arabica (Coffee) Seed Extract:

An antioxidant-rich caffeine phospholipid complex that helps fight early signs of aging as it smooths, tones, energizes, and depuffs. Provides a more lifted, well-rested effect that last hours.

## HOW TO USE IT
