CONDITIONS OF ACCEPTING AIRFARE PAID BY MONAT

- Roundtrip air travel to Marrakesh Menara Airport (RAK), Marrakesh, will be provided by MONAT for one (primary) Market Partner per qualifying Market Partner Identification Number (MPID). Airfare for spouses/guests is not included and must be purchased by the qualifying Market Partner. All guests must be 18 years of age or older at the time of travel and cannot be current Market Partners.

- Air travel must be booked at the lowest available fare, and for travel on the scheduled program arrival and departure dates.

- Travelers may be asked to make up to one connection in each direction of flight, should doing so result in a savings to MONAT of $200.00 USD or greater, and connection time is less than 2 hours between flights.

- If non-stop flights are available in your market, and the difference in fare is less than $50.00 USD over the lowest available connecting flight fare, non-stop flights will be permitted.

- Any request to travel on days other than the scheduled program arrival and departure dates, May 12–15, 2027 is subject to written approval by MONAT. MONAT is not obligated to cover airfare for travel on dates outside of the specified program travel dates.

- Market Partners must book airline tickets through our partner agency. Tickets booked directly with airlines, or through any other means, are NOT REIMBURSABLE.

- Checked baggage, preferred seat assignments, and other ancillary airline fees are the responsibility of the traveler.

- Once ticketed, airline change fees are the traveler's responsibility, if applicable.

- Market Partner must depart and return to the commercial airport nearest your MPID address on file.

- Stopovers are not permitted.

- Requests to fly on specific/preferred airlines must not impact the total airfare to be paid by MONAT.

- While we understand that some Market Partners must travel a longer distance from their MPID address, MONAT will not make special accommodations (e.g., overnight hotel accommodations because the flight to the destination resort is too long). However, MONAT will not require travelers to make more than one stop in either direction, unless their city of origin necessitates a double connection due to standard airline routes. Furthermore, overnight flights will not be required as a condition of covered travel.

- Costs associated with travel delays, missed connections, weather events, or other disruptions in travel, including but not limited to overnight lodging in the case of missed connections, canceled flights, early departures, negligence, and/or personal circumstances are the responsibility of the traveler.

- Trip insurance and permits or vaccinations needed for any layover flights in the US, or any other country are the responsibility of the traveler.
