SMART Start is the SMARTEST way to jump into your business-- everything it's about rewards vital behaviours, which are key to building a strong business.

This limited time bonus programme is exclusively available to new Market Partners within their SMART Start Period, giving them at least two full months to "earn while they learn". The SMART Start Period includes the date of enrolment, plus the following two calendar months.

Bonuses are rewarded for specific business building activity such as enrolling VIP customers, and sponsoring new team members. And there's BIGGER BONUSES when you do BOTH. Here's how it works:

## 1. Enrol four VIP Customers, earn £45

For every four customers you enrol into our VIP Programme, you'll receive a bonus of £45. There's no limit, so enrol 4, 8, 12... or more, and earn more!

## 2. Sponsor a new Market Partner with a Product Pack, earn £50 - £160

Building a team has some immediate perks. You'll receive a bonus of £50, £95, or £160 for each new Market Partner you sponsor, who enrolls with a Product Pack. The bonus amount is dependent on the Pack they choose, and as with the VIP bonus, there's NO LIMIT to the number of Product Pack bonuses you can earn.

Business Pack £50 | Success Pack £95 | Overachiever Pack £160

## 3. Build a BLOCK, earn £110

A "Block" is comprised of four VIP Customers and one personally sponsored MP with a Product Pack, which are collectively enrolled during your SMART Start Period. When you do BOTH activities while in SMART Start, you'll earn a Block Bonus of £110! Activity is cumulative during SMART Start, so everything you do within this span of time is tracked and paid out when the bonus threshold is met. There is NO LIMIT to the number of Block Bonuses you can earn in SMART Start, and we think "3" Blocks may be a great goal!. Keep reading.

## 4. Build a MONATborhood, earn £350

When you successfully complete three Blocks within your SMART Start Period, you have built what we call a MONATborhood! Collectively, you will have enrolled at least 12 VIP Customers, and 3 Market Partners with a Product Pack, with an average earning of £1,370\* on this activity alone—and your business is just getting started!
