

MONAT MOTOR CLUB

TERMS AND CONDITIONS

United Kingdom

Are you driven? Let MONAT drive you! Put your pedal to the metal, hard work has its rewards! MONAT values Market Partners who achieve success and maintain consistency and for that, we will reward you. You can begin to qualify for this new Motor Club bonus – earned by you, paid by MONAT! Dare to drive!

INITIAL QUALIFYING PERIOD

The first step in qualifying for the MONAT Motor Club bonus is to maintain the rank and 'paid-as' status of Market Mentor or higher for six consecutive months. The Motor Club bonus would be paid in the month following the sixth consecutive month. All Market Partners must complete this initial qualification regardless of when they joined MONAT or when they first achieved the Market Mentor rank.

As an example of how the qualifying period works, if a Market Partner achieves Market Mentor for the first time in May 2018, he or she would need to maintain a paid-as status of MM or higher in June, July, August, September, October and November (six consecutive months), before receiving the initial MONAT Motor Club bonus of £2,400 in December, 2018.

MAINTAINING QUALIFICATION

Following the initial six month qualifying period, MONAT Market Partners continue to earn the monthly Motor Club bonus by maintaining paid-as Market Mentor or higher status each month.

ADVISORY

Please be aware of the following important points regarding your participation in the MONAT Motor Club:

- The contract you execute for the purchase or lease of your vehicle will be between you and the car dealership or financial institution.
- MONAT's obligation under this programme is to pay Motor Club bonuses to you based on these Terms and Conditions after you have complied with the requirements set forth herein to begin receiving such sums.
- MONAT will not offer advice to you regarding your ability to honour a lease or financing arrangement or with respect to the term of any such agreement. The sale or lease agreement is between you and the lessor or seller of the vehicle.
- The MONAT Motor Club bonus must be used for the monthly purchase or lease payment of a white Jaguar or Land Rover. Bonus funds in excess of the payment are to be used at the Market Partner's discretion.
- Before you make a final decision regarding your Jaguar or Land Rover purchase or lease, you should understand the details of the programme. You must carefully read and review the programme Terms and Conditions before signing and returning the Acknowledgement Form. This is required prior to participation in this programme.

MONAT highly recommends that you be completely comfortable financially when making the decision to enter into a lease or purchase agreement. In addition to the monthly lease or vehicle loan payments, there will be other costs associated with your purchase. These include, but are not limited to, registration, licensing, insurance, inspection fees, maintenance as well as responsibilities for taxes. We want you to be completely comfortable with these costs before participating in the programme.

REWARDS

- Once the Market Partner has completed qualifying with six consecutive months of "paid-as" status at Market Mentor or higher, she or he will receive an official invitation to participate in the MONAT Motor Club and a copy of these Terms and Conditions from MONAT. To participate in the programme, you must return a signed copy of the Acknowledgement Form to MONAT at UKMotorClub@monatglobal.com. Upon receipt of the signed Acknowledgement Form, copy of lease or purchase agreement and verification of good standing MONAT will pay to you £2,400 as a qualifying bonus to be used as down payment toward the purchase or lease of a white Jaguar or Land Rover. The MONAT Motor Club bonus may not be used for an existing leased or purchased car but must be used for a white Jaguar or Land Rover leased or purchased after the qualification requirements have been achieved.
- Following the purchase or lease, Market Partners achieving and maintaining their "paid-as" status of Market Mentor or Managing Market Mentor will receive £400, subject to the requirements herein.
- Market Partners achieving and maintaining a "paid-as" status of Associate Executive Director or Executive Director will receive £550 monthly, subject to the requirements herein.

- Should MONAT alter or terminate the Motor Club bonus programme, all Market Partners who have entered the programme will continue in the programme according to the terms they initially agreed to when they first qualified until any conditions outlined below under Termination of Motor Club Bonus Programme are met.
