## What Powers It

### REJUVENIQUE ST™:

MONAT's famed proprietary signature is a cornerstone of skin looking its best at every age. This clinically proven ingredient combines the nourishing and revitalising powers of 17 botanical oils and extracts with a patented, activated oil from olive and jojoba seed extract to infuse skin with immediate and long-lasting moisture, hydration, youthful resilience and instant luminosity.

### Peptide:

Known for its skin rejuvenation ability, this bio-active building block helps support skin's natural collagen to reveal firmness, texture and an overall ageless appearance. MONAT's peptide helps skin to appear more cushiony, plump, supple and youthful from within.

### Ceramides:

These plant-derived lipids protect against moisture loss by ensuring the skin can retain optimal moisture with a strong barrier function while protecting skin from environmental elements that can cause the look of premature ageing.

### Plant Stem Cell Extracts:

These regenerating phyto-elements extracted from moss help lift, firm, support collagen and defend skin by providing antioxidant protection to guard against inflammation and sun damage. This powerhouse ingredient offers a full spectrum of benefits for luminous, youthful, healthy-looking skin.

### Hyaluronic Acid:

This miracle ingredient has the ability to hold 1000 times its molecular weight in water, helping to replenish and bolster skin's natural moisture for age-defying, youthfully hydrated skin.

## HOW TO USE IT

- Use daily, morning and night.
- Remove a small amount from the jar with the spatula provided.
- Evenly apply to your fingertips.
- Massage onto your face, neck and décolletage using upward motions to reenergise the skin.
- Allow product to absorb before applying SPF or foundation.
