CONDITIONS OF ACCEPTING AIRFARE PAID BY MONAT

- Round-trip Air travel to and from Punta Cana International Airport (PUJ) will be provided by MONAT for one (primary) Market Partner per qualifying Market Partner Identification Number (MPID), except where expressly stated as "Reward" for the respective qualification Tier.
- Air travel must be booked at the lowest available fare, and for travel on the scheduled programme dates: 4th-7th May 2025.
- Travellers may be asked to make up to one connection in each direction of flight should doing so result in a savings to MONAT of \$200.00 USD or greater and connection time is less than 2 hours between flights.
- If nonstop flights are available in your market, and the difference in fare is less than \$200.00 USD over the lowest available connecting flight fare, nonstop flights will be permitted.

- Any request to travel on days other than the scheduled programme dates, 4th-7th May 2025, will be subject to written approval by MONAT. MONAT is not obligated to cover airfare for travel on dates outside of the specified program travel dates.

However, MONAT will not require travellers to make more than one stop in either direction, unless their city of origin necessitates a double connection due to standard airline routes. Furthermore, overnight flights will not be required as a condition of covered travel.
- Costs associated with travel delays, missed connections, weather events, or other disruptions in travel, including but not limited to overnight lodging in the case of missed connections, cancelled flights, early departures, negligence, and/or personal circumstances are the responsibility of the traveller.
- Trip insurance and permits or vaccinations needed for any layover flights in the US, or any other country are the responsibility of the traveller.
