What Powers It

REJUVENIQUE S™:

MONAT's famed proprietary signature is a cornerstone of skin looking its best at every age. This clinically proven ingredient combines the nourishing and revitalizing powers of 17 botanical oils and extracts with a patented, activated oil from olive and jojoba seed extract to infuse skin with immediate and long-lasting moisture, hydration, youthful resilience and instant luminosity.

Natural Fruit Acids (AHAs):

MONAT's superfruit AHAs from sugar, mango, banana and cajá to energize, brighten, and refine skin. This blend of glycolic, malic, citric, mandelic and tartaric acids has different molecular weights that help support more rapid natural cellular turnover to diminish the appearance of age spots, fine lines and wrinkles while simultaneously refining the appearance of pores and promoting radiance for healthy-looking skin.

Peptide:

Known for its skin rejuvenation ability, this bio-active building block helps support skin's natural collagen to reveal tighter skin, improved texture and an overall ageless appearance. MONAT's exclusive peptide helps skin to appear more cushiony, plump, supple and youthful from within.

Antioxidants:

Skin-protecting antioxidants work to guard against oxidative stress caused by sun and other environmental elements, which contribute to the look of pre-mature fine lines, wrinkles, and uneven skin tone.

HOW TO USE IT

- Use daily, morning and night.
- Apply a small amount to hands, add water, and rub together to form a foamy lather.
- Gently cleanse face, neck and décolletage using circular motions.
- Be sure to avoid your eyes.
- Rinse off with warm water.
- For best results, perform a double cleanse.
- Follow with your MONAT skincare routine.
- Healthy skin tip: Apply sunscreen 15 minutes before heading outside.

DID YOU KNOW

The temperature of the water we use to cleanse our skin is just as important as using the right cleanser. Both hot and cold water can irritate the skin. We recommend rinsing with lukewarm to warm water.
