What Powers It

REJUVENIQUE S™:

MONAT's famed proprietary signature is a cornerstone of skin looking its best at every age. This clinically proven ingredient combines the nourishing and revitalizing powers of 17 botanical oils and extracts with a patented, activated oil from olive and jojoba seed extract to infuse skin with immediate and long-lasting moisture, hydration, youthful resilience and instant luminosity.

Ceramides:

These plant-derived lipids protect against moisture loss by ensuring the skin can retain optimal moisture with a strong barrier function while protecting skin from environmental elements that can cause the look of premature aging.

Hyaluronic acid:

This miracle ingredient has the ability to hold 1,000 times its molecular weight in water, helping to replenish and bolster skin's natural moisture for age-defying, youthfully quenched skin.

Avocado Oil:

Rich in vitamins A, E, and K, this oil penetrates the outer layers of skin to deeply moisturize and soothe while reducing free-radical damage and enhancing skin's elasticity and resiliency.

Shea Butter:

A proven skin moisturizer whose high concentrations of fatty acids and vitamins make it the ideal skin softener. Its anti-aging and soothing properties can help to condition, tone, and make skin appear smoother.

HOW TO USE IT

- Use nightly.
- Apply after your MONAT night serum and eye cream fully absorb.
- Remove a small amount from the jar with the provided spatula.
- Evenly apply to your fingertips.
- Massage onto your face, neck and décolletage using upward motions to reenergize your skin.
