**FAQS**

Q: What is a co-wash?
A: The traditional term co-washing is short for “conditioner-only washing.” It means skipping shampoo and relying solely on conditioner instead.

Q: How does it work?
A: The idea behind the co-wash method is to keep curly hair textures moisturized. Curls can feel dry because it is hard for natural oils to travel down the curly shape of the hair strand. Co-washing helps dryness by maintaining healthy oil levels and adds oils to the ends of the hair that may not receive as much moisture.

Q: How is MONAT Only For You Co-Wash Conditioning Cleanser different from a traditional co-wash?
A: Unlike the traditional product with no suds, our modern Co-Wash Conditioning Cleanser has low-lather cleansing agents that gently remove unwanted dirt and product buildup so hair feels clean yet conditioned.

Q: Who should use this product?
A: All hair types, fine medium and thick and wavy, curly, or coily hair textures who are concerned about dryness and who prefer the way their hair looks, feels, and styles second day.

Q: How often should I use it?
A: MONAT Only For You Co-Wash Conditioning Cleanser can be used as frequently as you would normally shampoo, or once or twice a week, depending on your hair texture and the amount of styling products used.

Q: What other MONAT products does it pair well with?
A: It pairs well with Super Nourish™ Oil Crème Conditioner, Restore Leave-In Conditioner, Unknot Detangler, or MONAT STUDIO ONE™ Curl Defining Cream.

**HOW TO USE IT**

Emulsify in hands and apply to wet hair. Leave on for 1-2 minutes. Rinse and repeat.

**TIP**

MONAT Only For You Co-Wash Conditioning Cleanser can be followed by an additional rinse-out conditioner, leave-in conditioner or detangler if needed.
**KEY INGREDIENTS**

**REJUVENIQE™** - A blend of 13+ natural plant and essential oils rich in omega fatty acids, antioxidants and nutrients highly compatible with the skin and hair.

**Refined Grapeseed Oil** - A featherlight oil, full of antioxidants and vitamins, absorbs quickly nourishing and moisturizing hair.

**MULTI-MOIST CLR™** - Binds water in the cortex of the hair to provide conditioning, fights frizz and static, protects against color fading, improves combability, reduces hair breakage from combing.

**XYLISHINE** - Makes hair shiny by repairing the hair fiber and locking in moisture.
