DIRECTIONS

LASHES

Apply a thin layer of product twice daily on makeup-free skin along the base of the upper and lower lash line (where eyelashes meet the skin). For maximum results, apply in the morning and in the evening during 28 consecutive days.

BROWS

Apply twice daily on makeup-free skin using short upward diagonal strokes on the eyebrow and use tip of finger to dab in excess and aid absorption. For maximum results, apply in the morning and in the evening during 28 consecutive days.

Allow product to dry for 7-10 minutes before applying makeup.
