CONDITIONS OF ACCEPTING AIRFARE PAID BY MONAT

- Round-trip air travel to Miami International Airport (MIA) or Fort Lauderdale-Hollywood International Airport (FLL) will be provided by MONAT for one (primary) Market Partner per qualifying Market Partner Identification Number (MPID).
- Air travel must be booked at the lowest available fare, and for travel on the scheduled program dates; July 22–24, 2022.
- Travelers may be asked to make up to one connection in each direction of flight should doing so result in a savings to MONAT of \$200.00 or greater and connection time be less than 2 hours between flights.
- If non-stop flights are available in your market, and the difference in fare is less than \$200.00 over the lowest available connecting flight fare, non-stop flights will be permitted.
- Any request to travel on days other than the scheduled program dates: July 22–24, 2022 will be subject to written approval by MONAT. MONAT is not obligated to cover airfare for travel on dates outside of the specified program travel dates.
- Travelers must book their airline tickets through MONAT's partner agency. Tickets booked directly with airlines or through any other means are NOT REIMBURSABLE.
- Checked baggage, preferred seat assignments, and other ancillary airline fees are the responsibility of the traveler.
- Once ticketed, airline change fees are the traveler's responsibility if applicable.
- Travelers must depart and return to the commercial airport nearest the MPID address they have on file.
- Stopovers are not permitted.
- Requests to fly on specific/preferred airlines must not impact the total airfare to be paid by MONAT.
- While we understand that some travelers must travel a longer distance from their MPID address, MONAT will not make special accommodations for these travelers (e.g., overnight hotel accommodations because "my flight to the destination resort is too long."); however, MONAT will not require travelers to make more than one stop in either direction, unless their city of origin necessitates a double connection due to standard airline routes. Furthermore, overnight flights will not be required as a condition of covered travel.
