Q: WHAT IS A PERSONAL GROUP?

A: A Personal Group consists of a Market Partner and their entire downline, down to but not including the next career-title Managing Market Builder or higher.

NOTE:

- Your Personally Sponsored MPs and VIPs count toward your Personal Group Sponsor totals, including those beyond the minimum Personal Sponsor qualification.
- Any existing career-title Managing Market Builder (MMB) or higher in your downline at the beginning of the qualification period will NOT count toward your qualification requirements. If the MMB or higher is demoted during the qualification period, that MP will count for Group Volume, commissions, and rank purposes but not for the Passport 2026 incentive.
- In the event a new career-title MMB or higher promotes within your Personal Group during the qualification period, that Market Partner's results will continue to be included in your qualification requirements each month of the qualification period.

Q: IF I ENROLL A VIP CUSTOMER WHO THEN UPGRADES TO MARKET PARTNER, WILL THEY COUNT TOWARD MY PASSPORT QUALIFICATIONS?

A: Yes, but how they are counted—whether as a VIP or Market Partner—depends on when the upgrade occurs.

Examples:

- If a VIP enrolls in January 2026 and then upgrades to Market Partner in January 2026, they count toward Passport qualifications as a Market Partner, and you will need to enroll an additional VIP for Passport.
- If a VIP enrolled PRIOR to January 2026 and upgrades to Market Partner in January–June 30, 2026, they count toward your Passport qualifications as a Market Partner.
- If a VIP enrolls in January 2026 and then upgrades to Market Partner in July 2026, they count toward your Passport qualifications as a VIP.
- If a VIP enrolls in January 2026 and then upgrades to Market Partner after February 15, 2026, and before June 30, 2026, they will count as a VIP AND as a Market Partner toward your Passport qualifications.

Q: IF I ENROLL A NEW MARKET PARTNER IN CANADA WITH ZERO ENROLLMENT, WILL THEY COUNT TOWARD MY PASSPORT QUALIFICATIONS?

A: The new Market Partner will count toward your Passport qualifications as long as they achieve 200 PV within 30 days of enrollment and within the Passport Incentive Trip Qualification timeframe (by June 30, 2026, at 11:59 p.m. EDT).

Example: Heather enrolls a New Market Partner with Zero Enrollment. Their new MP achieves 200 PV within 30 days and while still within the Passport Incentive Trip Qualification timeframe, so the new MP counts toward Heather's Passport Incentive Trip Qualifications.

Q: WHAT HAPPENS IF I ENROLL A VIP IN A COUNTRY WITH A FLEXSHIP REQUIREMENT AND MY VIP CANCELS THEIR FLEXSHIP?

A: If a VIP cancels their Flexship, they will still count toward your qualification requirements. MONAT will continue to monitor Flexship activity to ensure the integrity of trip qualifications. As part of this process, Compliance will review accounts of MPs who earn the trip and have a higher-than-average rate of Flexship cancellations.

If and where applicable, any hotel or airfare paid by MONAT will be reported to respective tax authorities. Qualified Market Partners who register for an event and do not or cannot attend will remain responsible for the taxable value of any non-refundable costs incurred by MONAT. Examples of taxable trip value that will remain reportable even when a Market Partner is unable to attend would include: a minimum of one-night's room rate, hotel taxes, and resort fees. Non-refundable airfare paid by MONAT will be included in taxable income reporting where applicable as defined by your country's taxation guidelines at the time of this trip.

Any purchases or enrollments not in compliance with MONAT Policies and Procedures will be deemed ineligible and bonuses will not be paid.
