Q: AM I LOCKED INTO ONE QUALIFICATION PATHWAY?
A: No. You are not locked into a single pathway. At the end of the qualification period, you will qualify if you meet all requirements for any pathway you are eligible for.

Q: WHAT IS CONSIDERED A NEW MM?
A: A new MM is defined as the following:

- Any Market Partner who reaches career rank of MM for the first time between October 1, 2026 and March 31, 2027.

Q: WHAT IS CONSIDERED A NEW MMM?
A: A new Director is defined as one of the following:

- Any Market Partner who reaches a career rank of AED or higher that they have never held before between October 1, 2026, and March 31, 2027.

Q: WHAT IS CONSIDERED A NEW PERSONALLY SPONSORED MMB?
A: A new personally sponsored MMB is defined as the following:

- Any Market Partner you have personally sponsored, also known as a Level 1 MP, who reaches MMB for the first time between October 1, 2026 and March 31, 2027.

Q: IF I HAD THE CAREER RANK OF AED OR HIGHER ON OCTOBER 1, 2026, AND I LOSE MY CAREER RANK DURING THE QUALIFICATION PERIOD, CAN I QUALIFY FOR MONAT GLOBAL LEADER SUMMIT 2027?
A: Yes. If your career rank drops during the qualification period, your new career rank determines which pathway requirements you must meet:

- If you demote to MMM: You can qualify through the Career Rank MMM Consistency Pathway or the Career Rank MMM+ Builder Pathway.
- If you demote to MM: You can qualify through the Career Rank MM Consistency Pathway or the Career Rank MM & below Builder Pathway.
- If you demote to AMM or below: you can qualify through the Re-Rank MM+ Consistency Pathway or the Career Rank MM & below Builder Pathway.

For the Consistency Pathway, qualifying paid-as rank months count from the start of the qualification period, including months before your demotion. For example, if you demote to MMM in December and were paid-as MMM in October and November, both months count toward your four required consistency months.

You must also meet all other requirements to qualify.

Q: IF I HAD THE CAREER RANK OF MMM ON OCTOBER 1, 2026, AND I LOSE MY CAREER RANK DURING THE QUALIFICATION PERIOD, CAN I QUALIFY FOR MONAT GLOBAL LEADER SUMMIT 2027?
A: Yes. If your career rank drops during the qualification period, your new career rank determines which pathway requirements apply:

- If you demote to MM: You can qualify through the Career Rank MM Consistency Pathway or the Career Rank MM & Below Builder Pathway.
- If you demote to AMM or below: You can qualify through the Re-Rank MM+ Consistency Pathway or the Career Rank MM & Below Builder Pathway.

For the Career Rank MM Consistency Pathway, qualifying paid-as MM+ months count from the start of the qualification period, including months before your demotion. For example, if you demote to MM in December and were paid-as MM in October and November, both months count toward your four required consistency months.

For the Re-Rank MM+ Consistency Pathway, qualifying months count beginning with the month you re-rank to MM or above. The number of required months depends on when you re-rank, as shown in the qualification chart above.

You must also meet all other requirements to qualify.

Q: IF I START THE QUALIFICATION PERIOD WITH A CAREER RANK OF AMM OR BELOW OR DEMOTE TO AMM OR BELOW, CAN I QUALIFY THROUGH THE RE-RANK REQUIREMENTS?
A: Yes, if you previously held a career rank of MM or above and re-rank to MM or above during the qualification period. The required number of paid-as MM+ months depends on the month you re-rank, as shown in the qualification chart above. For these requirements, qualifying months count beginning with your re-rank month. If you achieve a NEW career rank for the first time during the qualification period, you may qualify through the New Rank Advancement Pathway.
You must also meet all other requirements to qualify.

If you begin the qualification period as a Career Rank MMM or Director and demote to MM, the re-rank requirements do not apply. You must meet the Career Rank MM Consistency or Career Rank MM & Below Builder Pathway requirements.

Q: IF I BEGIN THE QUALIFICATION PERIOD AS A CAREER RANK MMM OR BELOW AND RE-RANK TO A HIGHER CAREER RANK I PREVIOUSLY HELD, DO I NEED TO BE PAID-AS THAT HIGHER RANK FOR MY REMAINING REQUIRED MONTHS?
A: No. Returning to a higher Career Rank you previously held does not increase the minimum Paid-As Rank requirement for your applicable Consistency or Builder Pathway. You only need to meet that pathway's minimum Paid-As Rank for the required number of months.

For example, if you begin as a Career Rank MM and re-rank to a previously held MMM Career Rank, you can still meet the MM Consistency Pathway's rank requirement by being Paid-As MM or above for at least four of the six qualification months.

If you achieve a higher career rank that you have never held before for the first time during the qualification

period, you would fall under the New Rank Advancement Pathway.

You also must meet all other requirements for the applicable pathway.

Q: HOW DO I QUALIFY FOR THE DIRECTOR BENEFITS?
A: To receive the extra day at the MONAT Global Leader Summit, upgraded room, and special cocktail reception, you must maintain a Director Career Rank through the end of the qualification period and meet all requirements for one of these pathways:

- New Rank Advancement Pathway by achieving Director Career Rank of AED or higher that you have never held before
- Career Rank AED+ Consistency Pathway
- Career Rank MMM+ Builder Pathway

Starting the qualification period as a Director does not automatically qualify you for Director benefits. Qualifying through the Career Rank MM & Below Builder Pathway or MM Consistency Pathway does not qualify you for these benefits.
